## Message from the Principal

By Sara Tutthill

**Welcome Back to School!! The staff at Copperopolis Elementary is bursting with Cougar pride and we are so excited to be teaching your child(ren) in person for full days. The days have been hot; however, we'd like to thank our Angels/Murphy's/Arnold Rotary Club for donating almost 200 water bottles to our thirsty Copper kiddos.**

**Our Copper PTC hosted the Steak and Shrimp Feed on Saturday, September 25th. They raised over \$30,334.94 for our students. A huge shout-out for their contributions to our school community. If you are interested joining the PTC, please reach out to Mrs. Tutthill or PTC President Amanda Kelley. As always, we thank you for supporting your child(ren) with their education. You are the number one indicator of a student's success!!**

## School Site Council

We'd like to introduce our new school site council parent members. For the term of 2021-2022, we have Shanna DePonte and Michele Sayer. Our two year term parents are Chaz MacDonald, Chelsea Hasson, and Michele Speyer.

We are so appreciative of our parent volunteers. The first meeting will be held on October 13th at 2:45 p.m.

## Parent Information

If there is ever a police presence on campus that is dealing with a threat to all students, please rest assured that we would alert all parents via our dialer. On Friday, September 3rd, we had several sheriff personnel that were on campus due to a confidential matter with one of our students.

# What's ahead for the kids of Student Council

By Amanda Fouts

A huge shoutout to all of our cougars that ran for an office the past few weeks. They ran their campaigns with integrity and dignity. As a reminder, anyone that ran for an office or is interested may still participate in the leadership class. We'd like to congratulate our new officers for the 2021-2022 school year. Our new President is Ardi Sayer, Vice President is Shelby Reed, Historian is Kadence Maness, and our Salutatorian is Indigo MacDonald. Congrats and GO COUGARS!!
