Mark Twain Union Elementary School District today announced its policy for providing free and reduced-price meals for children served under the MTUESD National School Lunch Program and/or School Breakfast Program. Each school and/or the central office have a copy of the policy, which may be reviewed by any interested party.

The household size and income criteria identified below will be used to determine eligibility for free, reduced-price, or full-price meal benefits. Children from households whose income is at or below the levels shown here are eligible for free or reduced-price meals. Children who receive CalFresh (FS), California Work Opportunity and Responsibility to Kids (CalWORKs), Kinship Guardianship Assistance Payments (Kin-GAP), or Food Distribution Program on Indian Reservations (FDPIR) benefits are automatically eligible for free meals regardless of the income of the household in which they reside. Eligibility for a foster child is based on a separate application and solely on the amount of the child's "personal use" income.

Income Eligibility Guidelines for Free and Reduced-Price Meals or Free Milk in Child Nutrition Programs

Effective July 1, 2019, through June 30, 2020, participants from households with incomes at or below the following levels may be eligible for free or reduced-price meals or free milk.

Note: The new income calculations are based on annual figures and the following formulas: Monthly = annual income divided by 12; Twice Per Month = annual income divided by 24; Every Two Weeks = annual income divided by 26; and Weekly = annual income divided by 52. All dollar amounts are rounded up to the next whole dollar.

FOR FREE AND REDUCED-PRICE MEALS
(continued)

Households do not need to turn in an application when the household receives a notification letter saying that all children automatically qualify for free meals when any household member receives benefits from CalFresh, CalWORKs, or FDPIR. Children who meet the definition of foster, homeless, migrant, or runaway, and children enrolled in their school's Head Start program are eligible for free meals. Contact school officials if any child in the household is not on the notification letter. The household must let school officials know if they do not want to receive free or reduced-price meals.

Applications will be sent to the household with a letter about the free and reduced-price meal program. Households that want to apply for meal benefits, must fill out one application for all children in the household and give it to the nutrition office at 981 Tuolumne Ave., Angels Camp, CA. Contact Roy Blair at (209)736-1855 ext. 523f or help filling out the application. The school will let you know if your application is approved or denied for free or reduced-price meals.

Households may turn in an application at any time during the school year. If you are not eligible now, but your household income goes down, household size goes up, or a household member starts receiving CalFresh, CalWORKs, or FDPIR, you may turn in an application at that time. Information given on the application will be used to determine eligibility and may be verified at any time during the school year by school officials. The last four digits of the Social Security number from any adult household or checking that you do not have a Social Security number is required if you include income on the application.

Households that receive Special Supplemental Nutrition Program for Women, Infants, and Children (WIC) benefits, may be eligible for free or reduced-price meals by filling out an application.

Foster children are eligible for free meals and may be included as a household member if the foster family chooses to also apply for the non-foster children on the same application. Including foster children as a household member may help the non-foster children qualify for free or reduced-price meals. If the non-foster children are not eligible, this does not keep foster children from receiving free meals.

Your child's eligibility status from last school year will continue into the new school year for up to 30 school days or until the school processes your new application, or your child is otherwise certified for free or reduced-price meals. After the 30 school days, your child will have to pay full price for meals, unless the household receives a notification letter for free or reduced-price meals. School officials do not have to send reminder or expired eligibility notices.

If you do not agree with the decision or results of verification, you may discuss it with school officials. You also have the right to a fair hearing, which may be requested by calling or writing the hearing official: Julia Tidball, 981 Tuolumne Ave., Angels Camp, CA 95222, (209)736-1855 ext. 526
